

National Police and Fire Scholarship

To honor our nation's firefighters' and police officers' service to this country, the University of Chicago announces its annual scholarship program.

To be considered for the full-tuition scholarship, candidates must qualify for admission to the University of Chicago and be children (or the legally adopted children) of currently active, sworn municipal, county, or state firefighters or police officers in the United States and Puerto Rico who will remain active for the duration of their children's college careers. Students whose parent lost his or her life in the line of duty are also eligible to apply.

Each winner is guaranteed full tuition for four years of undergraduate studies (12 academic quarters), provided he or she makes satisfactory academic progress and remains enrolled full-time in the College.

Additional financial aid is also available for families who apply and qualify for need-based aid.
