

Chicago Police and Fire Scholarship

THE UNIVERSITY OF
CHICAGO

To honor local firefighters' and police officers' service to the University community and the City, the University of Chicago announces its annual Police and Fire Scholarship program.

To be considered for this full-tuition scholarship, candidates must be high school seniors who qualify for admission to the University of Chicago and be children (or the legally adopted children) of currently active, sworn Chicago Firefighters, Chicago Police Officers, or University of Chicago Police Officers who will remain active for the duration of their children's college careers. Students whose parent lost his or her life in the line of duty are also eligible to apply.

Each winner is guaranteed full tuition for four years of undergraduate studies (12 academic quarters), provided he or she makes satisfactory academic progress and remains enrolled full-time in the College.

Additional financial aid is also available for families who apply and qualify for need-based aid.

Scholarship recipients and their parents are honored at a reception with our police and fire partners.

INFORMATION SESSIONS

The Office of College Admissions hosts informational meetings throughout the Chicagoland area to help students and families learn more about the University of Chicago and how to apply for admission and scholarships. A dedicated Chicago-area admissions counselor is available to assist students and parents with questions. Families are also welcome to visit our website to sign up for any of our on-campus daily tours and information sessions at any time of year.

Please visit collegeadmissions.uchicago.edu or contact us by phone at 773.702.8650 for the details of upcoming presentations or to arrange a visit.

John Boyer, Dean of the College, welcomes scholarship recipients and their families to campus.

APPLICATION PROCEDURES

All Applicants

Please complete the Coalition for College or the Common Application, as well as the UChicago Supplement by the application deadline of your choosing. Candidates for the Chicago Police and Fire Scholarship may apply by November 1st under either the Early Action or Early Decision I application plans or by January 2nd under the Early Decision II or Regular Decision plans but may not be notified of scholarship selection results until April. Further details about the admissions process can be found at collegeadmissions.uchicago.edu/apply.

Please complete the student portion of the following Certification Form and submit it to the appropriate department administrator listed below by **November 1st** if applying for Early Decision I/Early Action or **January 2nd** if applying for Early Decision II/Regular Decision. When the information has been confirmed, the form will be mailed to the University and placed in the student's application file for review.
